

**STATE OF NEW HAMPSHIRE LIQUOR COMMISSION INVITATION TO SUBMIT
PROPOSAL FOR:**

PORTSMOUTH AND CONCORD FENCING PROJECTS

RFP No. 2021-06-FENCE

COMMISSION'S RESPONSES TO PROPOSAL INQUIRIES

QUESTION 1:

Q: Is this 2 separate bids (One for each site) or 1 bid?

A: This is two separate projects for the New Hampshire Liquor Commission. However, the NHLC is using one procurement process to identify a contractor for both projects.

QUESTION 2:

Q: With regard to the Portsmouth project, the distance between uprights (columns) shows 20' center to center. The industry standard on this product is 8' center to center. In light of this, will the NHLC accept a proposal for the Portsmouth Project that includes fence posts?

A. Yes.

QUESTION 3:

Q: With regard to the Portsmouth Project, how is the fence to be mounted to the columns?

A: Proposers are to decide for themselves the best manner to mount the fence to the columns. The method selected, however, must result in a secure, stable, and long-lasting fence.
