

## **INQUIRY QUESTIONS AND RESPONSES**

### **RFP 2023-05-CARTS**

**Q1: Before we move forward, are you looking for new or refurbished? Also, approximate annual volume.**

R1: As stated in Part I, Section 4.2. of the RFP, the NHLC will accept new, or like-new refurbished, carts. The total volume of carts is as stated in Part I, Section 4.1. of the RFP with the actual supply schedule to be determined with the winning bidder at the time of contracting.

**Q2: On a side note, I have a large quantity of the [particular] refurbished in inventory, would you be interested in these?**

R2: As stated in Part I, Section 4.1. of the RFP, the ultimate determination of the type, size, and style will be made by the NHLC in consultation with the winning bidder at the time of contracting.
