Experience – Bidder’s prior experience performing the services listed withing the RFP	25	
Capacity - Bidder’s organizational capacity to handle the services listed withing the RFP	25	
COST PROPOSAL		50
Preventative Maintenance Charges	35	
Material Charges (Mark-Up %)	5	
Mileage	5	
Hourly Charges	5	
TOTAL POTENTIAL POINTS		100

2. PLANNED EVALUATION STEPS

The NHLC will use the following process for evaluation of submitted proposals:

- A. Initial screening for compliance with submission requirements;
- B. Evaluation of Technical Proposals and scoring;
- C. Review of Cost Proposals and scoring;
- D. Best and Final Offer (BAFO), if deemed beneficial; and
- E. Final selection of the highest scoring Bidder and begin contract negotiation.

3. INITIAL SCREENING

The NHLC will conduct an initial screening to verify that a Bidder is in compliance with the proposal submission requirements set forth in this RFP. The NHLC may reject a proposal that fails to satisfy the requirements. The NHLC may waive or offer a limited opportunity to cure immaterial deviations from the RFP requirements if it is determined to be in the best interest of the NHLC.

4. REVIEW OF TECHNICAL PROPOSALS

The NHLC will select an Evaluation Team to score Technical Proposals.

5. SCORING OF COST PROPOSALS

The Evaluation Team will unseal and review Cost Proposals after the final technical scoring of proposals. Bidders are advised that this **is not a low bid award** and that the scoring of the Cost Proposal will be combined with the scoring of the Technical Proposal to determine the overall highest scoring Bidder. Each Cost Proposal will be scored according to the following formula:

$$\text{Bidder's Cost Proposal Score} = \left(\frac{\text{Lowest Proposed Cost}}{\text{Bidder's Proposed Cost}} \right) \times \text{Total Possible Points}$$

6. **BEST AND FINAL OFFER**

Upon completion of the scoring process, the NHLC may, at its sole option, invite the highest scoring Bidders to submit a “Best and Final Offer” (BAFO) for the NHLC’s consideration. The NHLC reserves the right to select a Vendor based solely on the initial proposals and is under no obligation to solicit or accept a BAFO from any Bidders. As the NHLC may not request a BAFO, Bidders are encouraged to provide their most competitive prices in their initial proposals.

The BAFO is a one-time invitation only process for a Bidder to submit its lowest priced offer for the NHLC’s consideration. The NHLC will provide a deadline submission date for the BAFO and may uniformly communicate in writing any price/cost targets that the NHLC is seeking in the BAFO. All restrictions on contact with State employees outlined in this RFP shall remain in effect.

Each invited Bidder may only make one BAFO. The BAFO may not alter the substance of the Bidder’s Technical Proposal. The BAFO may only amend the Bidder’s initial Cost Proposal.

To the extent the NHLC solicits and receives a BAFO pursuant to this section, the NHLC will re-score the BAFO participants’ Cost Proposals after review of the BAFO in accordance with Paragraph 5: Scoring of Cost Proposals above. The NHLC will not select a vendor based on the lowest priced BAFO proposal. A final selection, if any, shall be based on the combined score of the Technical Proposal and BAFO pricing. Only those Bidders who were invited to submit a BAFO will be considered for the award.

7. **FINAL SELECTION**

The NHLC will conduct a final selection based on the final evaluation of the proposals or, if requested, as a result of a BAFO. If the NHLC elects to make an award, the NHLC will issue an “intent to negotiate” notice to the highest-scoring Bidder. Should the NHLC be unable to reach agreement with the selected Bidder, the NHLC may negotiate with the second preferred Bidder and so on, or the NHLC may reject all proposals, cancel this RFP, or solicit proposals under a new procurement process.

8. **RIGHTS OF THE NHLC IN ACCEPTING AND EVALUATING PROPOSALS**

The NHLC reserves the right, at its sole discretion, to:

- A. Make independent investigations in evaluating proposals;
- B. Request additional information to clarify elements of a proposal;
- C. Waive minor or immaterial deviations from the RFP and contract requirements, if determined to be in the interest of the State;
- D. Omit any planned evaluation step, if in the NHLC’s view, the step is not needed;
- E. Reject any and all proposals at any time or cancel this RFP; and

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) calendar days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) calendar days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) calendar days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State’s discretion, deliver to the Contracting Officer, not later than fifteen (15) calendar days after the date of termination, a report (“Termination Report”) describing in detail all Services performed, and the contract price earned, to and including the date of termination. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the State’s sovereign immunity, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

16. WAIVER OF BREACH. A State's failure to enforce its rights with respect to any single or continuing breach of this Agreement shall not act as a waiver of the right of the State to later enforce any such rights or to enforce any other or any subsequent breach.
